

## **Bookstore Job**

I'm a bookstore person with a bookstore job  
Making minimum wage but I act like a snob  
I'm a bookstore person with a bookstore job  
Making minimum wage – 'cause I got me a bookstore job

I'm an intellectual  
Somewhat ineffectual  
I know all the top bestsellers  
And I'm living in my parent's cellar  
Yeah, I'm smarter than you  
Can I borrow a buck or two?

I'm a bookstore person with a bookstore job  
Making minimum wage but I act like a snob  
I'm a bookstore person with a bookstore job  
Making minimum wage – 'cause I got me a bookstore job

I'm sophisticated  
My ego is much inflated  
I'm incredibly well read  
And only just a little bit underfed  
But I'm just starving for attention  
And an old-age pension

'Cause I'm a bookstore person with a bookstore job  
Making minimum wage but I act like a snob  
I'm a bookstore person with a bookstore job  
Making minimum wage – I got me a bookstore job

I got a literary bent but I can't pay the rent
