

## **I'm Confused**

I'm brooding in my tea  
I'm not sure what's wrong with me  
Do I come on too strong?  
What am I doing wrong?

This world's a lovely place  
But it's dark inside my soul  
Most times I do just fine but  
Sometimes I loose control

I have – I give  
I laugh and I live  
I hope – I choose  
I accept and I loose  
But I'm confused

So I'm putting on my face  
To play in this actors race  
But I stumble on the lines  
I try so hard to fine

And the emptiness swells  
From a limitless well  
I'm nervous as a cat and  
I'm not sure where I'm at

I have – I give  
I laugh and I live  
I hope – I choose  
I accept and I loose  
But I'm confused
